OUR WORK

WESTERN CENTER EDUCATES POLICYMAKERS AND STAKEHOLDERS, BRINGS CLASS ACTION AND OTHER IMPACT LITIGATION, SPONSORS LEGISLATION, CONDUCTS BUDGET ADVOCACY, PROMOTES BETTER PUBLIC PROGRAMS AND POLICIES, AND PROVIDES CONSULTATION AND TRAINING TO LEGAL SERVICES PROGRAMS AND COMMUNITY-BASED ORGANIZATIONS.
With offices in Los Angeles, Oakland and Sacramento, Western Center focuses on the issues of health care, housing, racial and economic justice, public benefits and access to justice for poor Californians.

Our 31 attorneys, advocates and staff tackle complex issues by combining stakeholder education, impact litigation and legislative advocacy. Western Center also serves as the “go-to” training and education resource for hundreds of community-based advocacy and legal services organizations.

COURT STOPS CITY OF PALO ALTO’S PLAN TO CLOSE ITS ONLY MOBILE HOME PARK

Four hundred low-income families, 90% of whom are Latino, will keep their mobile homes in a Palo Alto park. Following a litigation victory, the Santa Clara county’s housing authority purchased the park from a private owner, seeking to evict all the residents. *(Buena Vista Mobile Home Park Residents v. City of Palo Alto)*

Co-counsel: Law Foundation of Silicon Valley; Sidley Austin LLP.

RULING WITH NATIONAL IMPLICATIONS FINDS FEDERAL REGULATION DENYING FOOD STAMPS TO AGED, BLIND AND DISABLED PERSONS ILLEGAL

A federal district court invalidated a 37-year-old federal regulation that prevented people with Supplemental Security Income benefits from receiving food stamps. *(Riojas v. Vilsak)*

Co-counsel: Legal Services of Northern California.

DMV SUED OVER IMPROPERLY SUSPENDED DRIVER LICENSES FOR THOSE TOO POOR TO PAY FINES

This northern California suit seeks to stop the Department of Motor Vehicles from suspending the driver licenses of thousands of Californians. *(Hernandez v. CA Department of Motor Vehicles)*

Co-counsel: Legal Aid Society of Orange County; Sheppard, Mullin, Richter & Hampton LLP; Keller/Anderle.
COSTA MESA TENANTS WIN RELOCATION BENEFITS
The city of Costa Mesa was stopped from issuing approvals to replace a residential motel with luxury housing until the city provided relocation benefits to the low-income tenants of the motel. The court also ruled that the city had improperly granted the developer permission to increase the number of units in the project without including affordable units. (Kennedy Commission v. City of Costa Mesa) Co-counsel: Bird Marella; Public Law Center; Legal Aid Society of Orange County.

ORANGE COUNTY GENERAL RELIEF ENROLLMENT HAS INCREASED BY 889%

STATE MUST TRANSLATE MEDI-CAL FORMS INTO 11 LANGUAGES
The CA Department of Health Care Services has agreed to translate forms and notices into all of the Medi-Cal threshold languages (Korean, Cambodian, Chinese, Hmong, Tagalog, Vietnamese, Spanish, Armenian, Russian, Arabic and Farsi) and will ensure that termination notices tell people about their right to get back on Medi-Cal if they provide the required information within 90 days. GO BROKE, FOREGO MEDICAL SERVICES, OR INVOLUNTARILY GO INTO AN INSTITUTION - SPOUSES FACED WITH THREE BAD CHOICES WHEN A BETTER ONE WAS REQUIRED BY LAW
California agreed to adopt and implement the federally mandated “spousal impoverishment” rule that financially protects married Medi-Cal beneficiaries when one spouse needs intensive noninstitutional Medi-Cal services. Previously, the household was forced to become impoverished by paying for the home-based services, forego medical care, or institutionalize the ill spouse. (Kelley v. Kent) Co-counsel: Bet Tzedek; Disability Rights CA; Justice in Aging; McDermott Will & Emery.

SOLANO COURT AGREES TO PROTECT TRAFFIC DEFENDANTS UNABLE TO PAY FINES

WESTERN CENTER WAS FORMED IN 1967 BY A PASSIONATE GROUP OF ATTORNEYS AND LEGAL SCHOLARS FROM USC, UCLA AND LOYOLA LAW SCHOOLS WHO SOUGHT TO CREATE A UNIQUE ORGANIZATION, DRIVEN BY THE BELIEF THAT LOW-INCOME CALIFORNIANS DESERVE THE FINEST POSSIBLE LEGAL REPRESENTATION BEFORE EVERY INSTITUTION THAT SHAPES THEIR LIVES.

To celebrate our anniversary, we hosted a number of events. At gatherings in Los Angeles, Sacramento and Oakland, current partners and longtime friends from legal services organizations joined us to toast 50 years of leadership in the fight for justice.

We also hosted Fair Shake, a celebration of the next generation of public interest attorneys and hosted by Western Center’s Advisory Board. Our annual gala, Garden Party, was illuminated by the inspiring words of honoree Eric Holder, 82nd Attorney General of the United States.

Ernesto was born in El Centro, CA, a mid-sized farming town bordering Mexicali, BC, MX. Fueled by his cross-national upbringing, his art practice reflects his observations of the views and interactions between the Mexican communities living on both sides of the U.S.-Mexico border. The artist shares narratives of his conflicts of identity that he feels are kindred to what many Chicanos of these communities experience. Although Ernesto identifies as Chicano, he also strongly identifies as Native/Indigenous to this continent, which is often seen in his work. His work depicts his frustrations with the oppression in his community as well as creating work in solidarity with the community in the defense of dignity and rights. Through his brazen imagery, the artist brings political concerns to light with subject matter that depicts cultural icons, rebels and everyday people voicing their stance against oppression.
