

Health Care Legislation Affecting Low-Income Consumers as of September 2, 2020

Following is a summary of bills in the Legislature that affect the health of low-income Californians. The deadline for bills to pass out of the Legislature was August 31 and the Governor has until September 30 to sign or veto bills. Bills labeled "enrollment" were voted out of both houses and sent to the Governor; bills marked dead were not. Several bills died the last night of session without being voted on. This is the end of a two-year session, so no bills will continue on to next year's session.
