#### **About Western Center on Law and Poverty**

For over 55 years, Western Center on Law and Poverty has led the fight to end poverty and secure housing, health care, a strong safety net, and racial and economic justice for all low-income Californians. Western Center brings about system-wide change through impact litigation, legislative, policy and administrative advocacy at the state and federal level, and support for legal services and community-based organizations. With offices in Los Angeles, Sacramento, and Oakland, we are California's largest legal services support center.

#### **Position Summary**

Western Center offers an opportunity for an experienced and enthusiastic advocate to join our successful and dedicated team to protect and expand the housing rights of Californians experiencing deep poverty and homelessness, tackle discrimination existing in housing systems and programs, and monitor the implementation of state-level programs. Among the projects intended for this position, the successful candidate will work to improve federal policies and implementation of California state law SB 329 related to federal housing vouchers. In addition, they will support implementation of Los Angeles County and statewide housing and homelessness policies that serve the vulnerable and chronically homeless neighbors through impact litigation. We seek a team member who has experience practicing in diverse forums, thrives in a collegial and dynamic team environment, and is committed to addressing race-based inequities. The ideal candidate will demonstrate a strong interest in fighting for the rights of marginalized low-income people to push for statewide tenant protections and just land use policies.
