

Health Care Legislation Affecting Low-Income Consumers as of August 8, 2023

Following is a summary of bills in the Legislature that affect the health of low-income Californians. The Legislature reconvenes from summer recess on August 14. Last day for fiscal committees to meet and report bills is September 1. Following is a summary of bills in the Legislature that affect the health of low-income Californians.

Medi-Cal

Measure	Author	Topic	Location	Summary	WCLP Position
AB 90	Petrie-Norris	Family PACT Program: contraceptive device coverage.	2-Year Bill	This bill would clarify that Family PACT comprehensive clinical family planning services include inpatient services for contraceptive device.	Support
AB 365	Aguiar-Curry	Medi-Cal: diabetes management.	Senate Appropriations	This bill would codify continuous glucose monitoring and supplies as a Medi-Cal benefit and establishes utilization controls based on experts.	Support
AB 425	Alvarez	Medi-Cal: pharmacogenomic testing.	Senate Appropriations	The bill would cover pharmacogenomic testing (laboratory genetic testing to identify how a person's genetics may impact the efficacy, toxicity, and safety of medications) under Medi-Cal if a medication is known to have an interaction.	
AB 576	Weber	Medi-Cal: reimbursement for abortion.	Senate Appropriations	This bill would require DHCS to review and update Medi-Cal coverage policies for medication abortion to align with current clinical guidelines and to allow flexibility for providers to exercise their clinical judgment when services are performed in a manner that aligns with clinical guidelines.	
AB 608	Schiavo	Medi-Cal: comprehensive perinatal services.	Senate Appropriations	This bill would extend the Comprehensive Perinatal Services Program (CPSP) to cover the full year duration of postpartum eligibility from 60-days.	Support
AB 719	Boerner	Medi-Cal: nonmedical and nonemergency medical transportation.	Senate Appropriations	This bill would require Medi-Cal plans to contract with public transit operators for the purpose of establishing reimbursement rates for nonmedical and nonemergency medical transportation trips provided by a public transit operator.	
AB 1085	Maienschein	Medi-Cal: housing support services.	Senate Appropriations	The bill would require the Department to seek federal approval to make housing support services a Medi-Cal benefit for Californians experiencing homelessness. Housing support services help people access housing, remain stably housed, and are essential for individuals experiencing homelessness to access meaningful care. (Co-sponsored with Corporation for Supportive Housing)	Co-Sponsor
AB 1122	Bains	Medi-Cal provider applications.	Senate Appropriations	This bill would ease the Medi-Cal enrollment process to encourage more providers to become Medi-Cal providers. Specifically, it would allow a provider to submit enrollment application up to 30 days before having an established place of business.	Support

AB 1202	Lackey	Medi-Cal: health care services data: children and pregnant or postpartum persons.	Senate Appropriations	This bill would require Medi-Cal plans to conduct and report to DHCS an analysis to identify the number of Medi-Cal providers needed to ensure adequate access to children's health care services in complying with its time and distance standards.	Support
SB 311	Eggman	Medi-Cal: Part A buy-in.	Assembly Appropriations	This bill would simplify the enrollment process for financial assistance for individuals who rely on Medicare and Medi-Cal but struggle to pay costly Medicare Part A premiums.	Support
SB 340	Eggman	Medi-Cal: eyeglasses: Prison Industry Authority.	2-Year Bill	This bill would authorize a Medi-Cal provider to obtain eyeglasses from a private entity, as an alternative to the Prison Industry Authority.	
SB 424	Durazo	Medi-Cal: Whole Child Model program.	2-Year Bill	This bill would update CCS eligibility, cover drugs administered in-patient or outpatient the same, and raises provider rates for every CCS-enrolled child seen in the hospital or CCS special care center.	
SB 502	Allen	Medi-Cal: children: mobile optometric office.	Assembly Appropriations	This bill would require DHCS to request federal approval to exercise the Health Services Initiative option to cover vision services provided to low-income children through a mobile optometric office and authorizes Medi-Cal payment to mobile optometrists.	Support
SB 694	Eggman	Medi-Cal: self-measured blood pressure devices and services.	Assembly Appropriations	This bill would make self-measured blood pressure (SMBP) devices and SMBP services covered Medi-Cal benefits for the treatment of high blood pressure.	Support
Disparities Reduction					
Measure	Author	Topic	Location	Summary	WCLP Position
AB 85	Weber	Social determinants of health: screening and outreach.	Senate Appropriations	This bill would require a health care service plan contract or health insurance policy issued, amended, or renewed on or after January 1, 2024, to include coverage for screenings for social determinants of health, as defined. The bill would require a health care service plan or health insurer to provide primary care providers with adequate access to community health workers in counties where the health care service plan or health insurer has enrollees or insureds, as specified. The bill would authorize the respective departments to adopt guidelines to implement its provisions.	Support
AB 904	Calderon	Health care coverage: doulas.	Senate Appropriations	This bill would require health plans to develop a maternal and infant health equity program that addresses racial health disparities in maternal and infant health outcomes through the use of doulas and authorize the departments to convene workgroups to examine the implementation of these programs.	Support
AB 1057	Weber	California Home Visiting Program.	Senate Appropriations	This bill establishes the California Home Visiting Program, which funds local health departments to support pregnant people and parents with young children who live in communities that face greater risks and barriers to achieving positive maternal and child health outcomes.	Support
AB 1701	Weber	Black infant health: California Perinatal Equity Initiative.	Senate Floor	This bill would expand the California Perinatal Equity Initiative/Black Infant Health Program funding allocations to include city health departments.	Support

SB 435	Gonzalez	Collection of demographic data: CalFresh program and State Department of Public Health.	Assembly Appropriations	This bill would require specified state agencies to use separate collection categories and tabulations for each major Latino, Latin American Indigenous, and Latin American Indigenous language groups.	Support
Health Coverage					
Measure	Author	Topic	Location	Summary	WCLP Position
AB 4	Arambula	Covered California: expansion.	Senate Appropriations	Current state law creates the California Health Benefit Exchange, also known as Covered California, to facilitate the enrollment of qualified individuals and qualified small employers in qualified health plans as required under PPACA. Current law requires the Exchange to apply for a federal waiver to allow persons otherwise not able to obtain coverage through the Exchange because of their immigration status to obtain coverage from the Exchange. This bill would delete that requirement and would instead require the Exchange to administer a program to allow persons otherwise not able to obtain coverage by reason of immigration status to enroll in health insurance coverage in a manner as substantially similar to other Californians as feasible given existing federal law and rules.	Support
AB 632	Gipson	Health care coverage: prostate cancer screening.	Senate Appropriations	This bill would prohibit a health care service plan from applying a deductible, copayment, or coinsurance to coverage for prostate cancer screening services for an enrollee or insured who is 55 years of age or older or who is 40 years of age or older and is high risk, as determined by the attending or treating health care provider.	Support
AB 948	Berman	Prescription drugs.	Senate Floor	This bill would make permanent the existing \$250 co-pay cap for prescription drugs.	Support
AB 1157	Ortega	Rehabilitative and habilitative services: durable medical equipment and services.	Senate Appropriations	This bill would clarify that durable medical equipment is a covered essential health benefit in California-regulated health plans and policies when prescribed by a doctor for rehabilitative or habilitative purposes. The bill would also remove limitations such as annual caps on durable medical equipment coverage. (Co-sponsored with National Health Law Program)	Co-Sponsor
AB 1645	Zbur	Health care coverage: cost sharing.	Senate Appropriations	The bill would prohibit specified group contracts or individual health plans and policies from imposing a cost-sharing requirement, utilization review, or other specified limits on a recommended sexually transmitted infections screening, and from imposing a cost-sharing requirement for any items and services integral to sexually transmitted infections screening.	Support
SB 70	Wiener	Prescription drug coverage.	Assembly Appropriations	This bill would prohibit limiting or excluding coverage of a prescription drug that is prescribed for off-label use. The bill would prohibit a health care service plan contract from requiring additional cost sharing not already imposed for a drug that was previously approved for coverage.	

SB 90	Wiener	Health care coverage: insulin affordability.	Assembly Appropriations	Would prohibit a health care service plan contract or a disability insurance policy from imposing a deductible on an insulin prescription drug or imposing a copayment of more than \$35 for a 30-day supply of an insulin prescription drug, except as specified for a high deductible health plan.	Support
SB 257	Portantino	Health care coverage: diagnostic imaging.	Assembly Appropriations	This bill would require coverage without imposing cost-sharing for, among other things, screening mammography and medically necessary diagnostic breast imaging, including diagnostic breast imaging following an abnormal mammography result and for an enrollee or insured indicated to have a risk factor associated with breast cancer, except as specified.	Support
SB 339	Wiener	HIV preexposure prophylaxis and postexposure prophylaxis.	Assembly Appropriations	This bill would require health plan coverage of the new long lasting injectable PrEP/PEP.	Support
SB 595	Roth	Covered California: data sharing.	Assembly Appropriations	This bill is follow-up legislation to ensure that last year's SB 644, which would require EDD to share information about those who applied for income-replacing benefits with Covered California to allow Covered California to outreach and help enroll these individuals in Medi-Cal or Covered California, is implemented timely.	Co-Sponsor
SB 598	Skinner	Health care coverage: prior authorization.	Assembly Appropriations	This bill would prohibit a health care service plan or health insurer from requiring a contracted health professional to complete or obtain a prior authorization for any health care services if the plan or insurer approved or would have approved not less than 90% of the prior authorization requests they submitted in the most recent one-year contracted period. The bill would set standards for this exemption and its denial, rescission, and appeal.	Support
Behavioral Health					
Measure	Author	Topic	Location	Summary	WCLP Position
AB 665	Carrillo, Wendy	Minors: consent to mental health services.	Senate Floor	This bill would remove the requirement that to consent to outpatient mental health treatment or counseling , or to residential shelter services, the minor must present a danger to themselves or to others, or be the alleged victim of incest or child abuse.	Support
AB 1060	Ortega	Health care coverage: naloxone hydrochloride.	Senate Appropriations	This bill would require that all health plans, including Medi-Cal, continue to cover naloxone even if the FDA moves it to over-the-counter and would require no cost sharing.	Support
AB 1437	Irwin	Medi-Cal: serious mental illness.	Senate Appropriations	This bill would require the Medi-Cal program to automatically approve a prescription refill for a drug for serious mental illness for 365 days after the initial prescription is dispensed for adults.	
SB 282	Eggman	Medi-Cal: federally qualified health centers and rural health clinics.	Assembly Appropriations	This bill would allow individuals with Medi-Cal to access mental health and substance use disorder services on the same day they see a primary care doctor by allowing community health center to bill Medi-Cal for two visits if a patient is provided behavioral health services on the same day they receive other medical services through pilot project.	Support

SB 326	Eggman	The Behavioral Health Services Act.	Assembly Health	This bill would make changes to the Mental Health Services Act, in alignment with the Governor's proposal.	
Conservatorship					
Measure	Author	Topic	Location	Summary	WCLP Position
SB 43	Eggman	Behavioral health.	Assembly Appropriations	This bill would expand the definition of "gravely disabled" and would allow a hearsay exception in conservatorship proceedings for the admission of practitioner statements from medical records.	Oppose
Cost Containment					
Measure	Author	Topic	Location	Summary	WCLP Position
AB 1092	Wood	Health care service plans: consolidation.	Senate Appropriations	This bill would require a health care service plan that intends to acquire or obtain control of an entity, as specified, to give notice to, and secure prior approval from the director.	Support
Other					
Measure	Author	Topic	Location	Summary	WCLP Position
AB 249	Holden	Water: schoolsites: lead testing: conservation.	Senate Appropriations	This bill would require water systems serving school sites to test for lead in all school potable water fountains by 2025, and at least every five years thereafter.	Support
AB 616	Rodriguez	Medical Group Financial Transparency Act.	Senate Appropriations	This bill would authorize the disclosure of audited financial reports and comprehensive financial statements of providers and physician organizations collected by the Office of Health Care Affordability and financial and other records of risk-bearing organizations made available to the Department of Managed Health Care.	Support
AB 716	Boerner	Ground medical transportation.	Senate Appropriations	This bill would prevent consumers from being charged an out-of-network surprise bill for ground ambulance services.	Support
AB 952	Wood	Dental coverage disclosures.	CHAPTERED	This bill would require at the time of a provider determining a patient's eligibility and benefit determination, dental plans to disclose whether the enrollee's plan is regulated.	
AB 1048	Wicks	Dental benefits and rate review.	Senate Appropriations	This bill would prohibit dental plans from implementing waiting periods and denying claims related to preexisting conditions. The bill would also require review of dental plan premium rates.	Support
AB 1094	Wicks	Drug and alcohol testing: informed consent.	2-Year Bill	This bill will ensure that a pregnant or perinatal person provides informed consent prior to drug or alcohol tests or screens being conducted on them or their newborn.	Co-Sponsor
AB 1331	Wood	California Health and Human Services Data Exchange Framework.	Senate Appropriations	This bill would require the Center for Data Insights and Innovation to take over establishment, implementation, and all the functions related to the California Health and Human Services Data Exchange Framework on or before July 1, 2023, subject to an appropriation in the annual Budget Act.	Support

Health Care Legislation Affecting Low-Income Consumers as of August 8, 2023

AB 1414	Kalra	Civil actions: consumer debt.	Senate Floor	This bill would protect consumers against predatory debt collection lawsuits by requiring debt collectors to produce and sue on a contract rather than “common counts.”	Support
SB 227	Durazo	Unemployment: Excluded Workers Program.	Assembly Appropriations	Would establish, until January 1, 2027, the Excluded Workers Program, to be administered by the Employment Development Department upon appropriation by the Legislature, for the purpose of providing income assistance to excluded workers who are ineligible for the existing state or federal benefits administered by the department and who are unemployed. The bill would make individuals eligible to receive \$300 per week for each week of unemployment, if the Director of Employment Development makes certain findings, as defined and specified. The bill would require the department to promulgate regulations to implement the program, including regulations providing for an application process, as specified.	Support
SB 525	Durazo	Minimum wage: health care workers.	Assembly Appropriations	This bill would require a healthcare worker minimum wage of \$21 per hour and eventually \$25 an hour for hours worked in covered healthcare employment, as defined.	Support
SB 635	Menjivar	Health care coverage: hearing aids.	Assembly Appropriations	This bill would mandate insurance coverage of hearing aids and services for children under 21.	Support
SB 770	Wiener	Health care: unified health care financing.	Assembly Appropriations	This bill would direct the California Health and Human Services Agency Secretary to pursue discussions with the federal government to establish a unified healthcare financing system and establish a timeline for the completion of milestones leading to required federal waivers.	Support
SB 870	Caballero D	Medi-Cal: managed care organization provider tax.	Senate Appropriations	This bill would state the intent of the Legislature to enact legislation to aid in the prevention of rural hospital closures.
